STAT

Dear General Innell:

Thank you for your letter in regard to

STAT

through education, travel, and general background appears to be the type of young man who could probably be very useful to the Central Intelligence Agency.

As we would like to keep in touch with

STAT

I suggest that on his next visit to Washington he have a talk with whose office is at 2430 E Street, N. W., Administration Building.

Sincerely,

WBS
